OUR NURSERY IS LOCATED ON ROUTE 41

Auto route from Chicago - either route 42 to Waukegan and west on Washington St. to Green Bay Road, which is route 41 then north to our Nursery or take route 41 from Chicago to our Nursery.

From Milwaukee take route 41 to our Nursery just west of city of Waukegan on route 41.

Of special interest to you when purchasing plant material: look for our **DOUGLAS BRAND SEAL** on your larger Trees and Plants this is your assurance of **HIGHEST QUALITY**.

SEASON 1936

Planting time is again at hand and your thoughts are directed to your planting problems. We list here an assortment of plant material in Evergreens and deciduous Trees and Shrubs: the newer varieties as well as the finer ones of the past years for your selection. Every plant is of especial merit for it is time tested in our nursery, this alone is of great importance since there many plants recommended which, while they would be a most welcome addition to any landscape are not suited to our locality, consequently will not give you the anticipated pleasure but invariably cause sad disappointment in their failure after one or two seasons of bloom. The plants we offer alleviate this probability for you can safely plant same with assurance of success.

Come to us with your planting problems, we help you solve them. Our suggestions as to proper and seasoned plant material is your assurance of lasting satisfaction.
